

HOW TO MAKE YOUR SOCIAL-DREAM-MEDIA MOCK-UP

Make a cardboard presentation of your mock-up

Your mock-up must include:

- 1) a mobile phone
- 2) the design/look on your app
- 3) All of the different features and elements that your app provides
- 4) The designs and colours of your choice

You are free to use your computer and different programmes for all the features and designs of your app.
